

VAMSHI KRISHNA

8179337701 ✦ vamshiyadav4701@gmail.com

OBJECTIVE

Full-stack web developer with experience in React.js, NestJS, PostgreSQL, and ClickHouse. Skilled in building scalable applications, handling REST APIs, and working in Agile environments. Passionate about learning new technologies and delivering high-quality software solutions.

SKILLS

Programming Languages	JavaScript, TypeScript, Java, Python
Frameworks	React.js, NestJS
Databases	PostgreSQL, ClickHouse, Oracle SQL
Tools	Jira, GitHub, SVN, Eclipse, Visual Studio
Methodologies	Agile, Unit Testing
Other Skills	API Development, Client Support

EXPERIENCE

HCL Tech

January 2024 - Present

Senior Software Engineer

- Working as a full-stack web developer on the **DCEM** project.
- The **Data Center Energy Management (DCEM)** project focuses on monitoring and optimizing energy consumption in data centers. It provides real-time analytics, predictive insights, and efficiency recommendations using high-performance data processing with ClickHouse. The system integrates with multiple data sources, visualizes key performance indicators, and ensures compliance with energy efficiency standards.
- Developing front-end applications using **React.js, HTML, CSS**.
- Building and maintaining RESTful APIs with **NestJS** as the backend.
- Managing databases with **PostgreSQL** and **ClickHouse**.
- Utilizing **Jira** for project management and **GitHub** for version control.
- Following Agile methodologies to ensure efficient development cycles.

Newgen Software Technologies

February 2023 - December 2023

Software Engineer

- Joined as a **Software Engineering Trainee**, promoted to **Software Engineer**.
- Provided **client support** and gathered requirements.
- Worked on **Newgen Products like OmniApp** to create process flows.
- Developed and tested features using **Java, JavaScript, and Oracle SQL**.
- Used **SVN, Eclipse**, and performed unit testing to ensure high-quality deliverables.
- Estimated development efforts and ensured timely delivery of tasks.

EDUCATION

B.Tech Computer Science Engineering – Amrita Vishwa Vidyapeetham – 2019-2023

STRENGTHS

Passion for learning new technologies.

Strong problem-solving and analytical skills.

Effective collaboration in Agile teams.
